Dear Member,

It is membership renewals time again, August 1st onwards for the 2007 – 2008 period.

This additional letter is to highlight concerns of your Club Committee.

This year 2006 – 2007 CAC has paid out approximately £7,300 to hire the Stadium, that is track and pavilion, for two nights per week for 50 weeks of the year. The only time it is closed is for Christmas and New Year.

CAC has always tried to provide a year round training venue. During the past three winters we also have made use of the HIPAC indoor centre, October through to March Mondays and Wednesdays. This has also cost an additional £7000 approx..

Everyone who has used this facility has thought it worthwhile.

For the under 11's age group we also hire the Sports Hall at Burleigh College during the same winter months.

Another cost we always have is the hire of travel coaches to away matches. These are absolutely necessary for the team managers. This cost is a further £5000 approx.

So as you can see the Club has a commitment to pay out large sums of money on your behalf.

It has come to the notice of the committee members that some of our members do not pay the £2.00 or, for non-members, £3.00 entrance fee. These people are avoiding paying Wendy at the gate alongside the Club house. That is, they are entering through the HIPAC or waiting till Wendy is not there.

The Club has a, we believe, low membership fee and we rely on collecting the monies on the gate.

So obviously we can increase the fees dramatically or people (not all, only the few) can be honest and pay the required amount.

If these people do not want to pay they should not be allowed to make use of the excellent facilities or Coaching staff. This is to be followed up at the end of September.
